## HANNAH RIEGER & GALERIE DE LA TOUR:

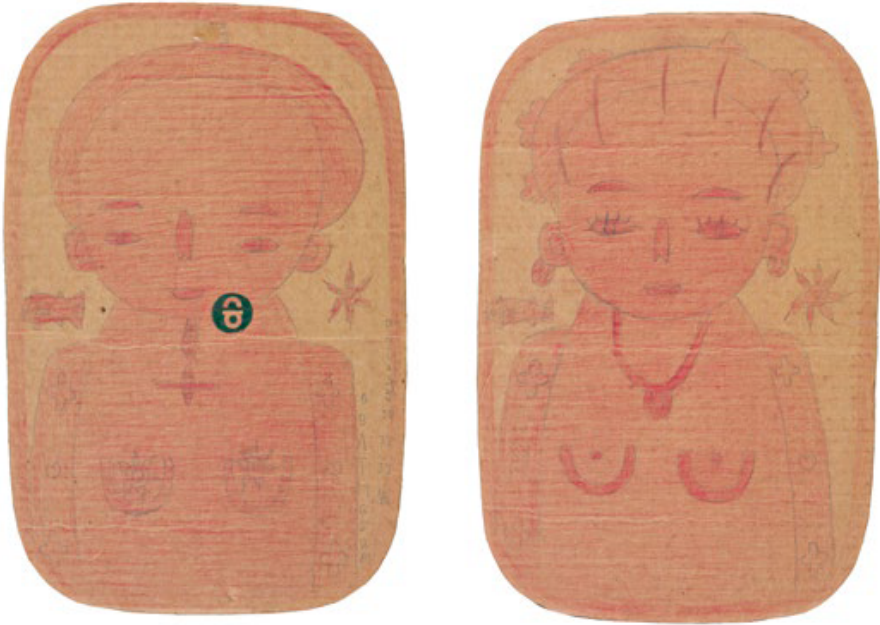

*Art Brut around the World*

April 22 - June 13, 2022

Ida Buchmann

With the new exhibition *Art Brut around the World*, [Galerie de La Tour](#) in Vienna presents pieces from the from the Hannah Rieger Collection in its three historic vaulted rooms for the first time.

Masao Obata

Hannah Rieger has been collecting art brut since 1991. With around 500 works, hers is one of the largest art brut private collections. In addition to well-known Austrian artists, this exhibition brings together pieces from five continents and 12 countries.

Frédéric Bruly Bouabré

Gugging artists are a focal point of Hannah Rieger's collection. In 1981, the

psychiatrist Leo Navratil initiated the House of Artists community at the Gugging psychiatric hospital. Psychiatrist and artist Johann Feilacher, successor to Leo Navratil, developed Gugging into an art brut centre with a gallery and a museum.
